

**LMN SERVICOS LDA**

LOGISTICS, CLEARANCE, & WAREHOUSE SERVICES

## **COMPANY PROFILE**

# WELCOME TO LMN SERVIÇOS LDA

LMN Serviços lda was founded in 2019 in Mozambique.

We are specialized society in the Mozambican market who offer an excellent integrated logistics service providing trader works, vessels agency, freight forwarding and clearance services, stevedoring activities, logistics specialist in land transport, fuel in tanks with highly qualified and experienced logistic team.

With a strong experience of containerized and bulk traffics, developed through an expertise and skilled team in order to support the handling of huge volumes of cargoes within Mozambique as well as to and from the inland countries of Botswana, DRC, Malawi, Zambia, Zimbabwe, in addition to parts of South Africa.

## GOAL

For us it is important that we delivery what the client demands and expects from us. This is why LMN through its business units offer tailored and personalized services in accordance with international standards.

## OUR VISION

To become one of the leading logistic company in Mozambican Market

## OUR MISSION

Provide high quality services with highest International Standards, by clearing the cargoes to where and when client needs meeting deadlines and handling cargo safe;

## OUR VALUES

To become one of the leading logistic company in Mozambican Market

# FREIGHT FORWARDING

## BY LAND

Therefore, LMN technical superintendents are creating detailed plans for axle deployment, slings and pivots and research the route thoroughly in order to ensure the safety of the cargo.

## BY SEA

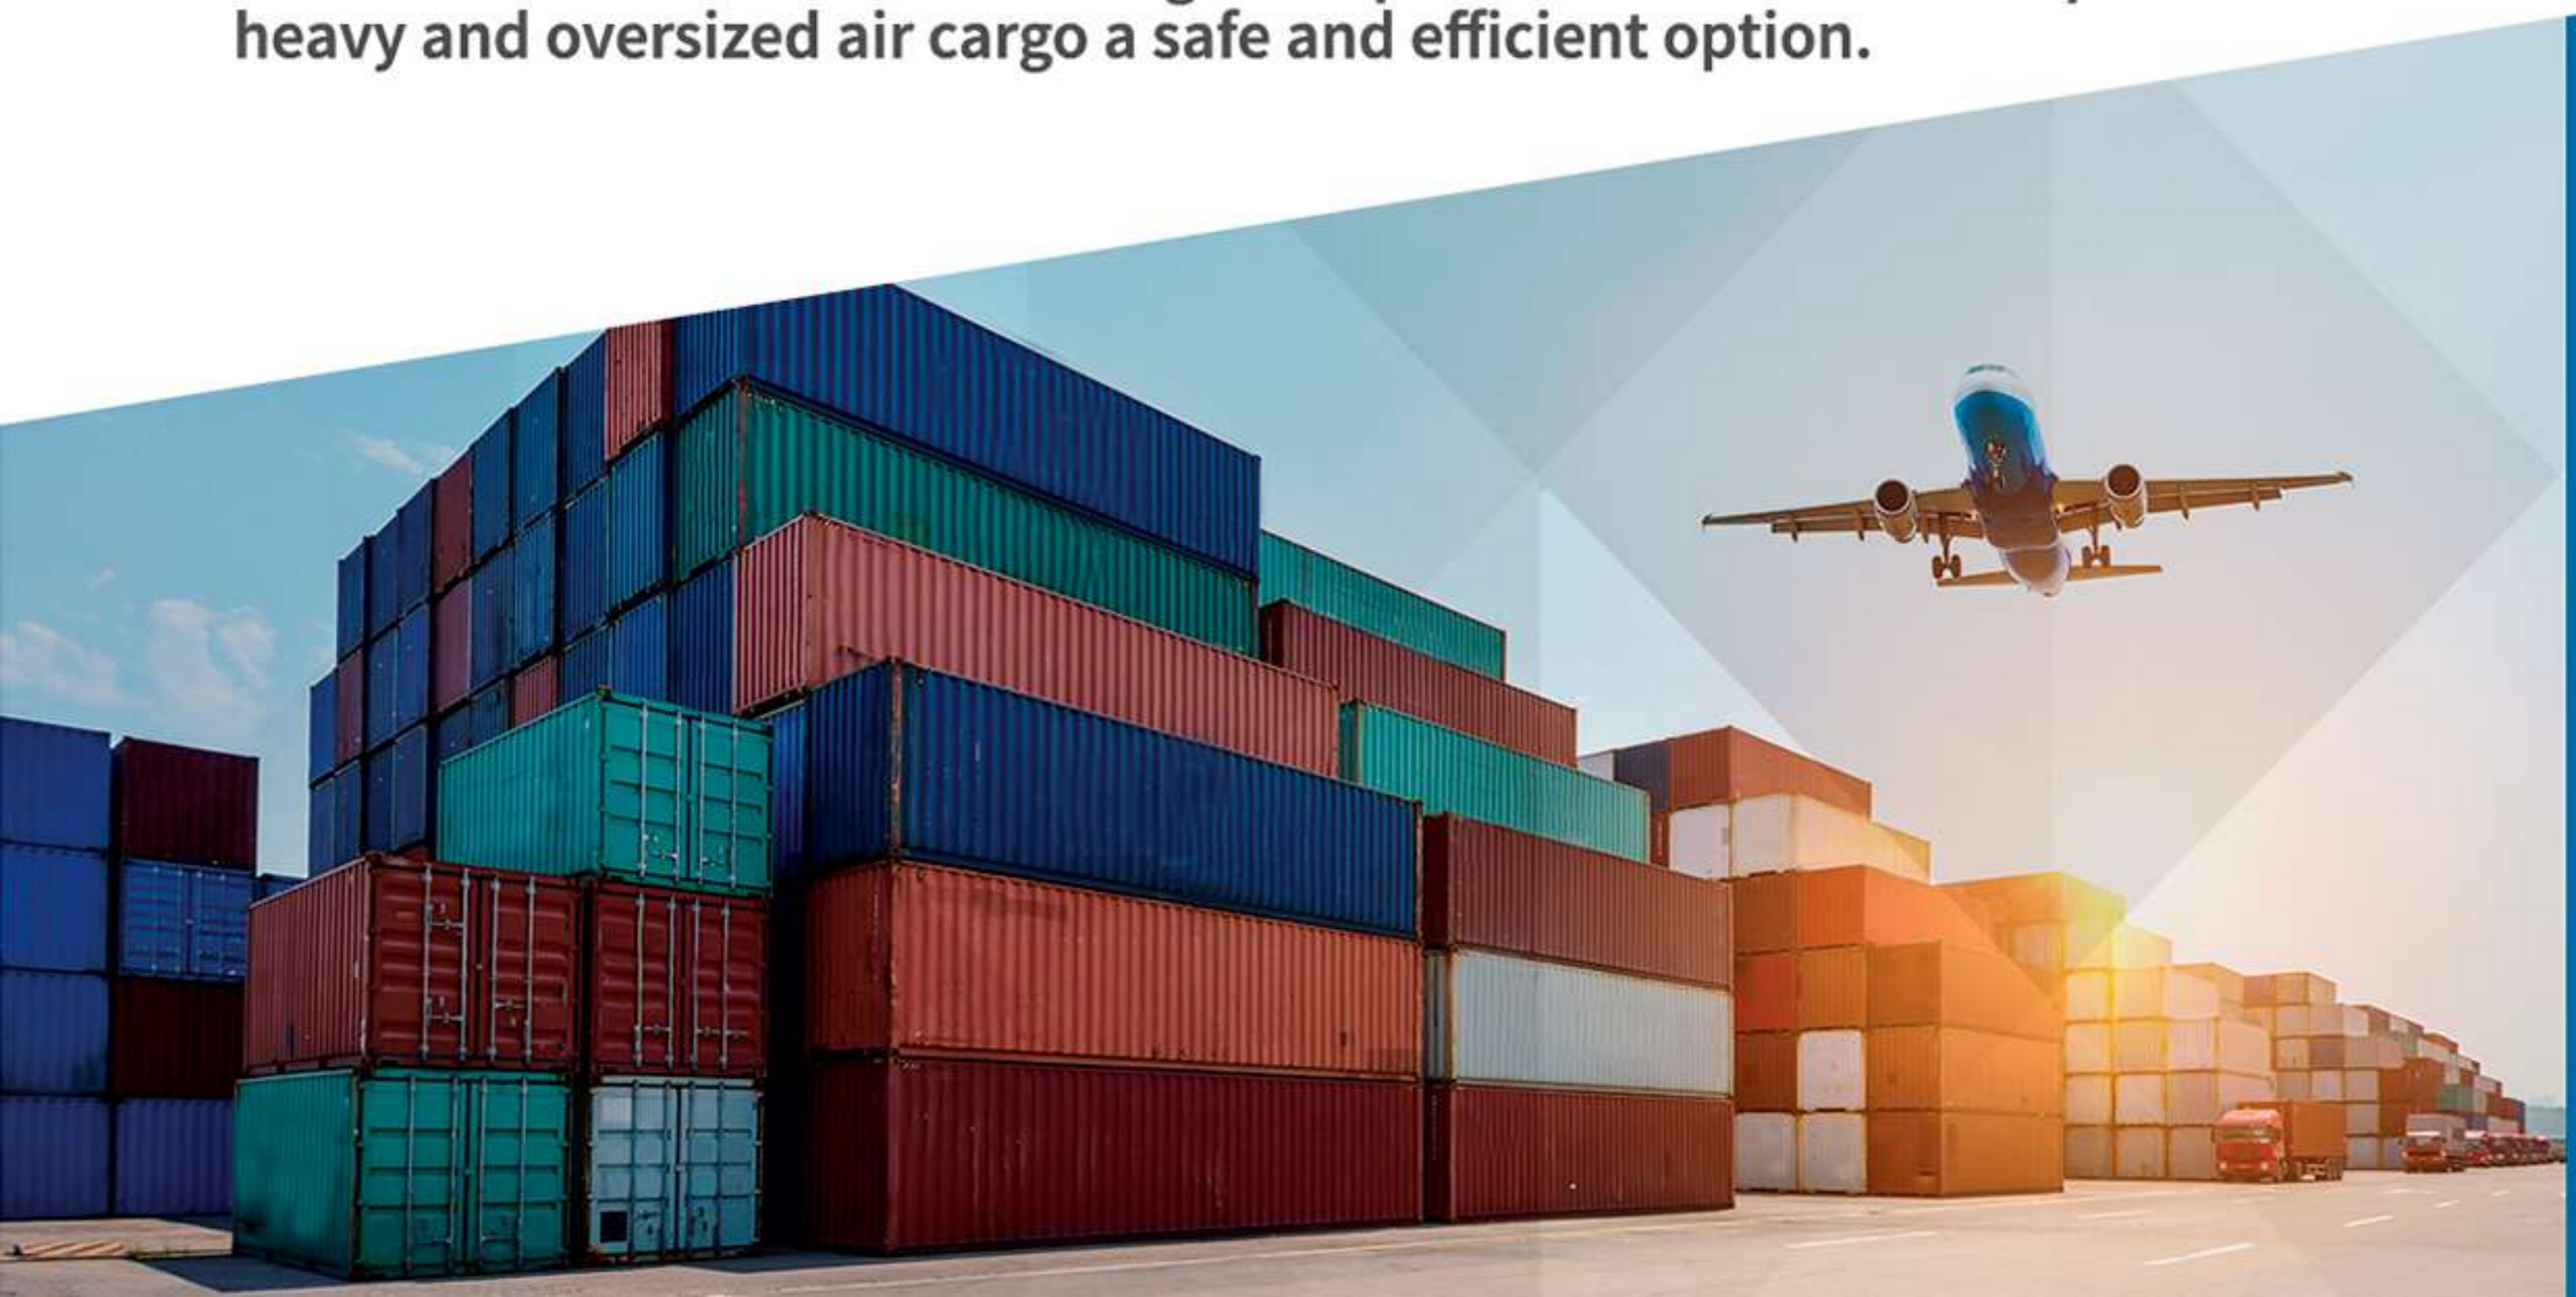

Our company is familiarized with provide solutions, to transport containers and global heavy-lift resources, carriers and specialist brokers, marine superintendents and local port and coastal authorities.

Many heavy-lift items and oversized pieces are destined for remote worksites, with geographic or physical limitations.

## BY AIR

We are also studding and negotiating to add air logistic transport services, whereby we will be able to transport heavy and oversized goods by air a very complex operation, requiring specialist knowledge and resources.

We are working closely with major international carriers and is familiar with the resources and technologies required to make the transport of heavy and oversized air cargo a safe and efficient option.

# SHIPPING AND PORT AGENCY

**LMN provides a full range of agency services ( for supply boats, drill ships, seismic vessels and any other offshore service vessel ), to international shipping lines, charter vessels, tankers and bulkers.**

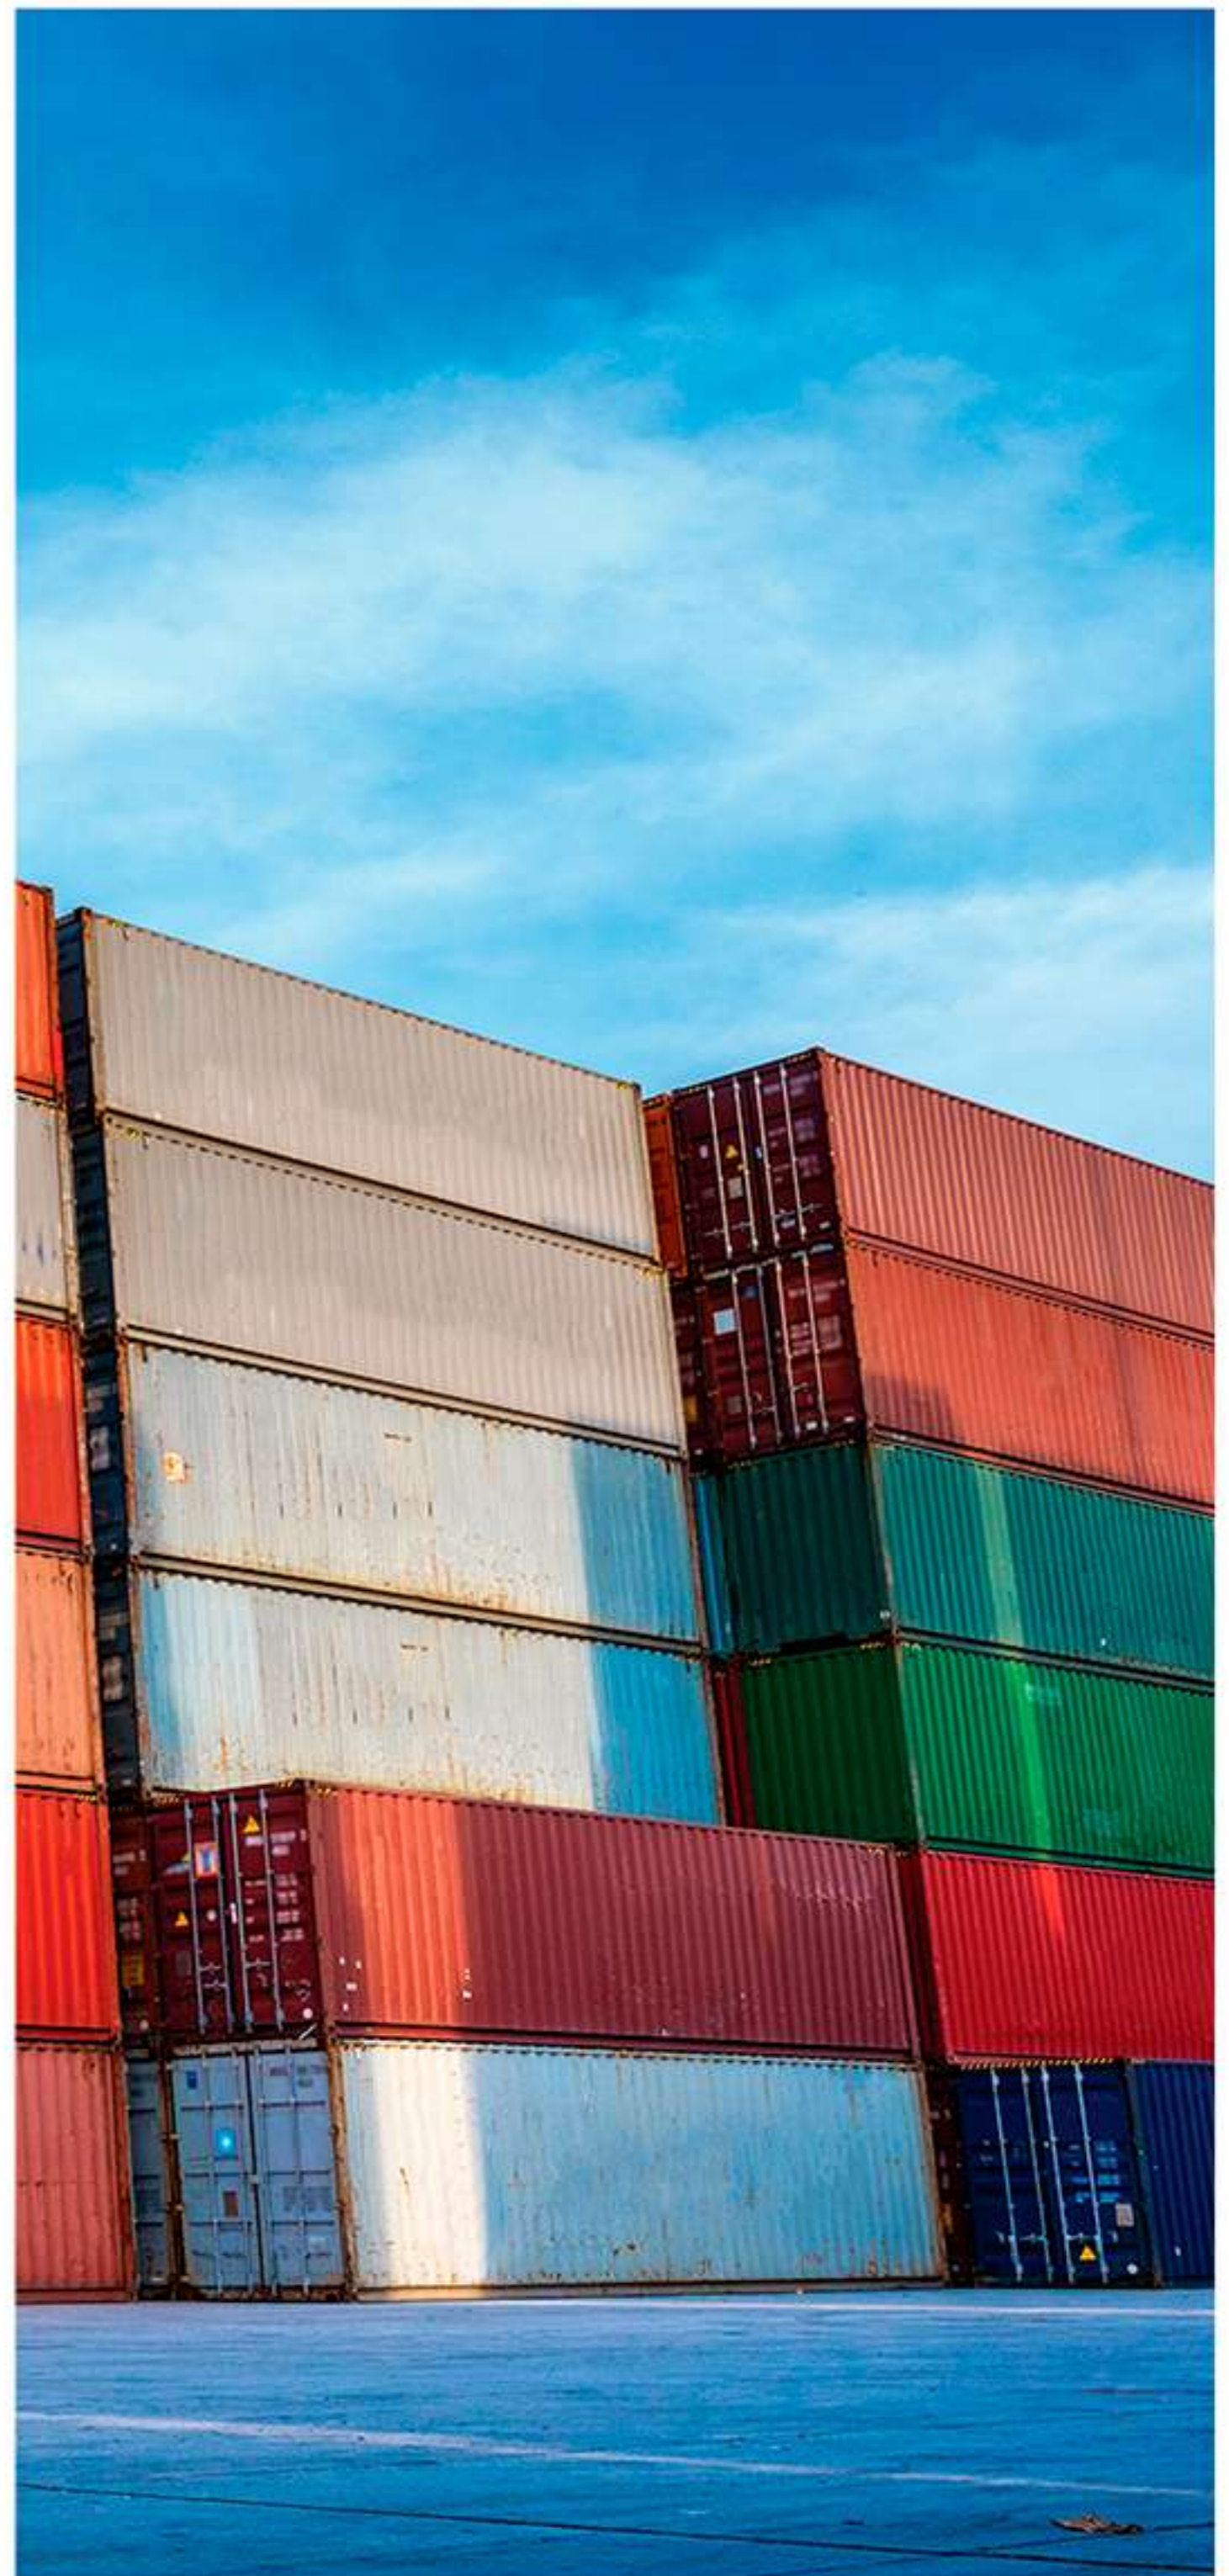

**Our services include husbandry, management of container fleets etc.**

## WAREHOUSING OF GOODS IN TRANSIT

To offer several storage solutions for various types of cargo in covered and open areas.

We are equipped with state-of-the-art technologies and procedures in order to ensure the quality and safety of the cargo.

**LMN Serviços Ida**, operates as a stevedoring company, and offer a wide variety of services and equipment such as bagged cargo, bulk cargo, reefer, rolling equipment, containers, heavy lift, special loads etc.

# TRANSPORT AND COMMUNICATIONS

**The company has extensive connections with highly named transport companies.**

**After dredging the channel and huge infrastructural investments, Beira must be considered as an alternative to Durban and Dar Es Salaam for shippers who need a fast cost effective to avoid congestion, escalating costs and unpredictability of nearby alternatives.**

**Just to emphasize we do privilege communication, to certify that our clients are constantly updated.**
